Gary Green Memorials will endeavour to use the same font type and to match the size of the original lettering with regards to replica memorials and added inscriptions. Please note we are using new technology on our letter cutting machines and there may be small differences.

Gary Green Memorials order marble and granite materials at the time the customer places the order. Therefore, when a replica memorial is required, there might be differences in the marble graining or the colour of the granite.

Gary Green Memorials will not be responsible for any personal items left on or around the grave. These items must be removed prior to any works being carried out.
